WHAT'S INSIDE

SPOTLIGHT 4

Tales from the Dark Multiverse presents new, twisted takes on Flashpoint and Batman: Hush! Plus, *Sweet Tooth* is back in a new miniseries by Jeff Lemire, and the finale of "Doom Metal" leads straight from *Justice League* #57 directly into *Dark Nights: Death Metal* #5!

DC BOOKS FOR YOUNG READERS 30

A new trilogy begins in *House of El Book One: The Shadow Threat*, a new vision of one of comics' greatest tragedies by bestselling writer Claudia Gray and artist Eric Zawadzki. Plus, Kirk Scroggs, writer/artist of *The Secret Spiral of Swamp Kid*, is back with the new graphic novel *We Found a Monster*!

COMICS 33

The all-new Composite Batman/Superman makes his debut in *Batman/Superman* #14! And it's Catwoman vs. the mob *and* the cops in issue #27 of her thrill-packed series!

COLLECTED EDITIONS 65

The epic "City of Bane" is collected in a single volume, and, direct from 1973, *The Amazing World of Superman* is reprinted for the first time as a tabloid-size hardcover!

DC DIRECT 76

The *DC Designer Series Statue of Batman* by Alex Ross is here!

Academy Award-winning screenwriter John Ridley (*12 Years a Slave*, *Let It Fall*) examines the mythology of the DC Universe in this compelling new miniseries that reframes iconic moments of DC history and charts a previously unexplored sociopolitical thread as seen through the prism of DC Super Heroes who come from traditionally disenfranchised groups.

This unique new series presents its story as prose by Ridley married with beautifully realized illustrations by Giuseppe Camuncoli and Andrea Cucchi. Issue #1 follows the story of Jefferson Pierce, the man who will one day become Black Lightning, as he makes his way from being a young track star to a teacher and, ultimately, to his role as a hero. Future issues focus on characters like Karen and Mal Duncan, Tatsu Yamashiro, and Renee Montoya.

Extensively researched and masterfully executed, *The Other History of the DC Universe* promises to be an experience unlike any other. You may think you know the history of the DC Universe...but the truth is far more complex. *The Other History of the DC Universe* isn't about saving the world—it's about having the strength to simply be who you are.

"I remember when Black Lightning first came out, and what an impact that was for me as a young kid of color, to see a Black man as a hero." — John Ridley

JOHN RIDLEY REVEALS THE OTHER HISTORY OF THE DC UNIVERSE

Interview by Albert Ching

Black Lightning, Mal and Karen Duncan, Renee Montoya, Katana, and Thunder aren't the biggest names on the DC roster—which is exactly what makes them ideal leads for *The Other History of the DC Universe*, the long-awaited five-issue miniseries by writer John Ridley and artists Giuseppe Camuncoli and Andrea Cucchi.

The series—with a title that deliberately references 1986's similar-in-format *History of the DC Universe*—presents a timeline of iconic DC moments from the perspective of characters from often-marginalized groups. The first issue of the bimonthly series stars Black Lightning, a character with major personal significance to Ridley.

Ridley, the Academy Award-winning screenwriter of *12 Years a Slave*, has written comics before, including two volumes of *The American Way*. As he discusses in this interview, this series marks his first time writing in the DC Universe, and he relished the opportunity to instill hope and humanity in some often-overlooked DC characters.

Q: This series was first announced in January 2018. Do you think the current state of the nation and the world has made this story even more timely than it would have been a couple years ago?

A: Yes and no. Obviously the things that are right in front of us, they inform how we see everything that's around us. But

JOHN RIDLEY REVEALS THE OTHER HISTORY OF THE DC UNIVERSE

(interview continued)

whether this had come out in the wake of Trayvon Martin, in the wake of Ferguson, in the wake of what happened in Baltimore—just think about how regularly we find ourselves looking at these issues.

And that's just for me as a Black man of a certain age. But we have characters who are dealing with issues of identity and inclusion that are gender issues, that are issues from the LGBTQ community. This is a series that would have shouldered a certain level of importance at any time. But certainly in the moment that we find ourselves in, where it feels like there's so much weight being put on the scales, I hope it's material that meets the moment.

Q: You've written stories for DC before, but this is your first time writing DC characters in the DC Universe—how has that experience been for you, both as a DC fan, and also given that this is such a unique type of story?

A: In some ways it was coming full circle. When I was a kid, I wasn't a very good student; my mom—who was a teacher—really struggled to get me to read at all. One day my parents found out that I liked reading comic books. "Great, if you read them, we'll buy them." That was my first introduction to reading on a regular basis. That was very important to me—a way to engage in reading and storytelling.

But I remember when *Black Lightning* first came out, and what an impact that was for me as a young kid of color, to see a Black man as a hero. A Black man standing up for what was right. A Black man who in his other identity was a teacher, the way my mom was a teacher.

To be able to track a lot of my personal trajectory—to wanting to be a storyteller, to becoming a storyteller, to finally having the opportunity to tell stories in the DC Universe—it was humbling. It made me want to be all the more honorable to the men and women who came before me and inspired me. It's been remarkable.

Q: Black Lightning is now the star of a TV show, but he—and each of the characters featured in this series—hasn't traditionally been considered A-list. What has it been like to dig into characters who haven't always gotten a chance to be in the spotlight?

What's it like? Honestly, pick an adjective: it's been great, it's been frustrating, it's been invigorating, it's been thought-provoking. Some of these characters, you read them and think, "Wow, this character should have been a lead character, and it would have been amazing." More than anything, I'm just appreciative to have the opportunity to

revisit these characters and look up stories I remember from when I was much younger.

We wanted to approach it as though it were a real, true timeline. The timeline actually begins in the late 1960s with Jefferson Pierce talking about his childhood, and then taking it all the way to Anissa Pierce, where her story concludes around 2005, 2006. It's treated as real history. Each of these characters reflects a particular decade—'60s, '70s, '80s, '90s, and the early 2000s.

More than anything, I wanted it to be hopeful. I wanted to focus on successes. I wanted to focus on relationships. I wanted to focus on these various individuals—even though they may be tasked with their own challenges, together as people, we always rise.

Q: Tell us about the format of the series, which is a mix of prose and illustration. What made that the best way to tell The Other History of the DC Universe?

A: It's definitely prose. It's different from sequential dialogue—it's not spot art, it's not sequential art. Cammo [Giuseppe Camuncoli] did a masterful job creating true flow for the book, from one moment to the next over time.

In terms of the writing, I approached it as though it were an oral history; as though I had the opportunity to sit down with these characters and really ask them about their lives, their relationships, their successes, their failures. It really was trying to treat these characters as though they were very real people.

Q: Speaking of Giuseppe Camuncoli, what was your experience collaborating with him, especially given the unconventional approach to illustrating this story?

A: It was the best kind of collaboration. It's one thing to sit and write as a storyteller, but in the graphic novel space, so much of it is about that art, that look, that feel, the representation of these characters. Cammo is an artist in his own right, but he also had an uncanny ability to take moments and iconic artwork that existed and re-create it, but also give it its own individual identity.

We were really asking a lot of Cammo: to interpret what was on the page, to give it its own flow and feel. Sometimes having that much freedom is more of a challenge. "How do you feel about this?" "What stirs your emotion and your passion?" Cammo was able to do all of that: To have his own ideas. To look at past artwork. To make it fresh. To decide what the flow was going to be. I'm deeply appreciative of Cammo for his hard work over two and a half years.

Following the smash success of last year's *Tales from the Dark Multiverse* series, DC returns with five new tales that explore dark, twisted timelines spinning out some of DC's most iconic stories. It begins with the story that kicked off the modern era for Batman... "Hush"! The landmark story introduced Bruce Wayne's childhood friend Tommy Elliot as he tried to destroy the Dark Knight...but what if Tommy had ruined Bruce's life when they were children?

Tommy Elliot grew up to be the Dark Prince of Gotham City with the help of Talia al Ghul, Oswald Cobblepot, Harvey Dent, and Jason Todd! But vengeance is coming in the form of Batman the Silenced...who will tear Tommy's life apart! Written by rising star Phillip Kennedy Johnson (*The Last God*) with jaw-dropping artwork from Dexter Soy (*Batman and the Outsiders*)!

Once upon a time there was a little boy named Gus. He had antlers and lived with his father in a little cabin in the woods. Then his father died, and the big man with cold eyes took Gus away. Gus went on many great adventures, found friends, love, happiness, family, and acceptance.

Now, years later...it begins again. A young boy with antlers and deer-like feature wakes in a bizarre and completely foreign world where the last humans struggle to survive. They tell the boy he is special, he is chosen, and that he alone can lead them back to a world dominated by the oppressive Hybrids.

Sweet Tooth: The Return is no re-hash of the original series, but rather a bold re-imagining of the Sweet Tooth mythology; taking elements of the original series and remixing them into something familiar, but totally new. A divided world. A planet long ago past the point of devastation. And at the center of it all, a child who didn't ask to be born into any of this, but who has no choice but to try and forge some life for himself. His visions and dreams may not be real at all...they may just be fiction. But they are hope. And sometimes hope is enough.

Acclaimed writer/artist Jeff Lemire reunites with colorist José Villarrubia to bring you the next chapter in the saga of DC's acclaimed series *Sweet Tooth*!

SPOTLIGHT

SWEET TOOTH #1 GALLERY

JEFF LEMIRE RETURNS TO A “VERY DIFFERENT” SWEET TOOTH

Interview by Albert Ching

Sweet Tooth, the surreal and poignant story of an antlered boy called Gus, launched its creator, writer/artist Jeff Lemire, into comics industry superstardom. After its debut in 2009, the series would run 40 issues that were equal parts fairy tale and postapocalyptic horror.

That was the end of *Sweet Tooth*—emphasis on “was.” Now, with a Netflix adaptation of the series in the works—executive produced by Robert Downey Jr.—inspiration struck Lemire, and the result is *Sweet Tooth: The Return*—a new six-issue series that picks up the story years later, returning to familiar territory while pushing the saga in unexpected directions.

With issue #1 on sale in November, Lemire discussed “going home” to *Sweet Tooth*, collaborating once again with colorist José Villarrubia, and making *The Return* accessible to new readers as well as fans of the original series.

Q: The last issue of *Sweet Tooth* was released in January 2013. What’s it like to be back in this world? How has your perspective on the series evolved in the interim?

A: In terms of length, *Sweet Tooth* was the longest project I ever did. I lived with those characters every day for over four years. And when you spend that much time working on something, those characters really become a part of you. In the years since I finished the original series, my fondness for the world of *Sweet Tooth* has only grown.

But at the same time, I was very satisfied with the ending I gave the story, so I didn’t really think I would ever go back. I didn’t think there was a way to do more without upending the finale of the original. But then, last year, I was on the set of Netflix’s adaptation of *Sweet Tooth*, and was obviously thinking a lot about the world and story. I got the seeds of an idea, and a way back in. From there it all happened really quickly. More ideas started flowing, and my excitement grew.

Being back in the world and with the characters just feels like going home. Especially now, with the pandemic and everything else going on in the world, this felt right. It felt like the world needs more stories of hope right now.

Q: The new miniseries is described as a “reimagining of the *Sweet Tooth* mythology.” Without revealing too many details, what can readers expect from this new series?

It should be familiar yet totally new. I worked really hard to create a story that wasn’t just a rehash of the original. It carries many of the themes and also the tone of the original series, but projects it forward and tells a brand-new story.

Q: The first issue reads as both a continuation and a new start—how did you approach making it new reader friendly, while also speaking to the loyal fans of the series?

A: My goal was to make this new story completely accessible to any new readers, but also loaded with connections to the original as well. This sort of layering was really fun and satisfying and hopefully is evident in that first issue. There is all sorts of subtle mirroring of things from the original in that first issue, but at the same time, it goes in a very different direction as it unfolds.

Q: Visually, what was it like for you and José Villarrubia to be back on *Sweet Tooth*? Was it easy for you both to pick up where you left off? And what can readers expect that they haven’t seen from *Sweet Tooth* before?

I think I’ve grown a lot as an artist since the original run and have mostly colored myself in the projects I’ve done since *Sweet Tooth* ended, so it was really cool to go back now, years later, and see what José did with the new world I created. Much like the story, it has a lot of visual links to the original, but there are definitely some new things as well, and the coloring reflects that.

Mostly, it’s just fun to work with my good friend again. I missed collaborating with José, he’s a wonderful man and a great colorist, and I think we both look back very fondly on our time doing *Sweet Tooth*. It’s a gift to be able to do it again.

Pull back the curtain on one of 2020's most compelling new miniseries in this special Director's Cut issue. This special gives readers a peek at the black-and-white art by Evan "Doc" Shaner and Mitch Gerads—highlighting how they switch back and forth, and showcasing their individual techniques—and also presents the script so you can see how writer Tom King lays it all out. It's an unprecedented look at how a comic comes together.

Skinner, Pearl and a surprising new ally team up to pull off their game-changing heist of the Freedom Train, but time is running out for a nation in crisis. The Beast's plan for mass terror and world domination is finally revealed in sick detail, and as humanity spirals toward extinction, there's a devastating twist. When an unexpected force returns to pick off the VMS's top officials, Travis and Cal discover that the ultimate evil has competition—and the final battle will be more merciless than anyone imagined.

Gotham City's elusive serial killer, the Starlet, and her mysterious benefactor reach the pinnacle of their power, terrorizing the city and teasing the GCPD with strange clues and a famous new victim. Harley goes rogue and hunts down a shocking major lead in the case, but her ruthless style backfires and she puts herself at the mercy of Commissioner Montoya for a shot at redemption. When FBI Agent Hector Quimby becomes an ally in a crucial moment, he and Harley forge a partnership that will soon take them down a familiar and ominous road.

What's the connection between an aging comic book artist and Rorschach? That's the question the detective investigating the attempted assassination of a presidential candidate must answer. Wil Myerson, a reclusive artist known for his pirate comics, went from drawing the adventures of Pontius Pirate and the Citizen to working with a mysterious young woman hellbent on making sense of a post-Watchmen world. Somewhere in the life of Wil Myerson lies the key to learning more about Rorschach.

Eisner Award-winning writer Tom King teams with rising star artist Jorge Fornés to delve into backroom maneuvering and political corruption in a story that asks how far a man with ideals will go to make them a reality.

\$16.99 US | 208 PAGES | 6" x 9" | FC
ISBN: 978-1-4012-9112-9

A brand-new vision of one of comics most famous tragedies—the first of a trilogy of young adult graphic novels by New York Times bestselling writer Claudia Gray and illustrator Eric Zawadzki!

Explore Krypton like never before: through the eyes of two teenagers on opposite sides of the same extinction-level event. Zahn is one of Krypton's elites: wealthy, privileged, a future leader. Sera is one of Krypton's soldiers: strong, dedicated, fearless. Their rule-bound society has ordained that their paths should never cross. But groundquakes are shaking the planet's surface. Rebellious uprisings are shaking the populace. Krypton's top scientists, Jor-El and Lara, conduct a secret experiment that is meant to reform their planet from the cellular level up.

Zahn and Sera must join forces to investigate the hidden dangers truly threatening Krypton. In the process, they form a bond that will endure past the end of the world...

\$9.99 US | 144 PAGES | 5.5" x 8" | FC
ISBN: 978-1-77950-052-6

Kirk Scroggs, writer and artist of *The Secret Spiral of Swamp Kid*, introduces a new type of best friend!

Casey has always loved monster movies; in fact, he considers himself something of an expert on the subject. He spends his day doing normal kid things, like attending school and riding his bike around his town of Serena Mar—and filling his journal with helpful ways to take care of the various monsters who live all around them, who no one else seems to know exist.

But as Casey delves deeper into the history of his spooky friends—or are they fiends?—he uncovers more than just skeletons in the closet. Turns out there's a Frankenstein and maybe a werewolf tucked in there, too! And he's just starting to wonder if it's possible that his new friend, Zandra, has a secret of her own, as well...

We Found a Monster is a fun, funny, and fast-paced tale about learning what true friendship is, and respecting the secrets we all have inside.

A cosmic-level threat has come to Metropolis! Synmar has traveled across the galaxy to unleash hell on Superman—and our hero must learn that this creature is so alien that he will have to reinvent how he's going to fight! To that end, Superman goes to the source to learn where this new nemesis came from, only to find himself in a corner of the galaxy he's never seen before, way off the map—and he may find the return journey even harder than getting there in the first place!

Featuring an appearance by the Justice League and a new foe unlike anything the Man of Steel has ever faced, this epic slugfest is brought to you by Brian Michael Bendis with art by Ivan Reis and Danny Miki!

DC BLACK LABEL | AGES 17+

DC reprints a pivotal story that sets the stage for *The Sandman/Loche & Key: Hell and Gone* #1, coming in November from IDW! Morpheus, the Lord of Dreams, is looking to atone for the greatest sin he ever committed: condemning a lover who spurned him to Hell. But when Dream arrives at the gates of the underworld, Lucifer has a curious favor to ask of him in return—and a deeply unwelcome gift, in the form of a very particular key...

Prepare yourself for the incredible *The Sandman Universe/Loche & Key: Hell and Gone* crossover event with this special dollar reprint of a classic chapter in *The Sandman* saga!

COMIC BOOKS

**FINAL ISSUE GUEST-STARRING
THE JUSTICE LEAGUE!**

SUICIDE SQUAD #11

written by **TOM TAYLOR**
art and cover by **BRUNO REDONDO**
ON SALE 11/24/20
\$3.99 US | 32 PAGES | FC | DC
FINAL ISSUE

The explosive final issue is here! Task Force X has been through hell and back. Now they're the last thing standing between a human bomb and an island full of innocents. Which means that even if they win the day, there's nowhere to run when the Justice League arrives to clean house!

**IT'S THE TEAM'S FINAL MISSION—
BUT CAN THE ORIGINAL TITANS
CONVINCE THEM TO CARRY ON?**

TEEN TITANS #47

written by **ROBBIE THOMPSON**
art by **JAVIER FERNANDEZ**
cover by **BERNARD CHANG**
ON SALE 11/17/20
\$3.99 US | 32 PAGES | FC | DC
FINAL ISSUE

Robin betrayed them. Superboy abandoned them. Now the only Teen Titans left are Crush, Kid Flash, Red Arrow, and Roundhouse. As the teen heroes wrap up what may be their final mission, they're going to get some unexpected encouragement from a group that knows a little about how hard it is to be heroes. Special guest stars the original Titans prove there may still be some good this team can do in the future.

CARD STOCK VARIANT COVER \$4.99
FINAL ISSUE

For the first time in months, the entire Young Justice team comes together to face a threat bigger than anything they've faced before. Just as the team has come to grips with their fractured legacy, someone from Young Justice's past has come back to murder them! Guest-starring the Wonder Twins, Dial H for Hero, and Naomi—plus some other Wonder Comics surprises too hot to mention here! Don't miss this final issue from the Eisner Award-nominated co-writers of *Naomi*!

"YOU CAN'T BURY THE
PAST FOREVER."

100 BULLETS OMNIBUS VOL. 1 HC

written by **BRIAN AZZARELLO**
art by **EDUARDO RISSO** and others

cover by **DAVE JOHNSON**

ON SALE 1/12/21

\$150.00 US | 1,376 PAGES | FC

7.0625" x 10.875"

DC BLACK LABEL | AGES 17+

ISBN: 978-1-77950-742-6

The Eisner Award-winning series that redefined crime comics is collected in omnibus format for the first time!

If you were given a gun and 100 untraceable bullets, would you seek vengeance? That's the offer Agent Graves presents ordinary citizens, giving them an opportunity to exact revenge on those who wronged them, along with full immunity for their actions—even murder.

The team of writer Brian Azzarello and artist Eduardo Risso weave a web of intrigue, crime, conspiracy, and deception as Agent Graves manipulates his "clients" including Dizzy Cordova, who is given the chance to avenge her family's murders, and a downtrodden bartender receiving the opportunity to exact revenge against the woman who ruined his life.

Collects *100 Bullets* #1-58 and a tale from *Vertigo: Winter's Edge* #3.

 art by **MIKEL JANÍN, TONY S. DANIEL,**
CLAY MANN, JOHN ROMITA JR.,
JORGE FORNÉS, and MITCH GERADS
 cover by **TONY S. DANIEL**
 ON SALE 12/15/20
 \$24.99 US | 336 PAGES | FC | DC
 ISBN: 978-1-77950-595-8

The bestselling “City of Bane” epic is collected in one volume, bringing writer Tom King’s *Batman* saga to a bloody and brutal end!

Bane’s minions have taken control of Gotham City and are ruling with an iron fist, and Batman is nowhere to be found. Instead, the Flashpoint Batman—Thomas Wayne, Bruce Wayne’s father from an alternate timeline—is patrolling the city, dispensing a violent brand of justice. It all builds to a rebellion among the bad guys who don’t want to play along with Bane! But as the Dark Knight Detective returns, is he ready to take on the foe who broke him worse than any other that came before? Batman and his allies have a choice: let Bane stay in power and guarantee the city’s survival, or risk everything to break free! Collects *Batman* #75-85.

**INCLUDES A NEVER BEFORE PUBLISHED
PROJECT PROPOSAL BY ALAN MOORE!**

DC THROUGH THE '80S: THE END OF ERAS HC

written and illustrated by **VARIOUS**
cover by **CURT SWAN** and
MURPHY ANDERSON
ON SALE 12/15/20
\$49.99 US | 520 PAGES | FC | DC
ISBN: 978-1-77950-087-8

The '80's were a truly rad time for comic books. DC was killing it with groundbreaking titles like *Man of Steel*, *Batman: The Dark Knight Returns*, and *Watchmen*. This collection, curated by writer and former DC publisher Paul Levitz, celebrates the pre-*Crisis on Infinite Earths* era of the early 1980s with memorable adventures including Alan Moore and Curt Swan's poignant "Whatever Happened to the Man of Tomorrow?," both Batman and Superman teaming with their Golden Age equivalents in separate stories, Wonder Woman and Steve Trevor versus gremlins, and more. Collects *Action Comics* #583, *Detective Comics* #500, *The Flash* #296-298, *Jonah Hex* #54-55, *Superman* #423, *House of Mystery* #286, #290, #294-295, #300, #308, #321, *Warlord* #42, *Wonder Woman* #311-312, *The Brave and the Bold* #200, *Weird War Tales* #93, *Time Warp* #2 and #3, *G.I. Combat* #288, *Blackhawk* #258, *DC Comics Presents Annual* #1, *Super Friends* #36, and *Sgt. Rock* #345, #347, #368, and #387. Also includes new essays on this amazing era from such comics luminaries as Jack C. Harris, Elliot S! Maggin, J.M. DeMatteis, Andy Kubert, and more, and features the complete text of Alan Moore's legendary, never-before-published *Twilight* proposal!

COLLECTED EDITIONS

THE FLASH BY GEOFF JOHNS OMNIBUS VOL. 2 HC

written by **GEOFF JOHNS**
art by **SCOTT KOLINS, HOWARD PORTER,**
ALBERTO DOSE, and others
cover by **MICHAEL TURNER**
ON SALE 1/19/21
\$99.99 US | 872 PAGES | FC | DC
7.0625" x 10.875"
ISBN: 978-1-77950-750-1

Geoff Johns brought new life to the Flash and his Rogues during his years writing the Scarlet Speedster, and this omnibus collects the second half of his stint on the series, highlighted by the onslaught of new nemesis Hunter Zolomon—a.k.a. Zoom!

This collection also includes a trip to Gorilla City, turmoil among the Rogues, and a meet-up with Wonder Woman, as the Cheetah and Zoom team up against our heroes! It all leads to "Rogue War," as the Flash's greatest enemies battle each other, and Zoom's final—and very personal attack—against Wally! Collects *The Flash* #192-225, *Wonder Woman* #214, and *The Flash: The Secret of Barry Allen* #1.

THE GREEN LANTERN SEASON TWO VOL. 1 HC

written by **GRANT MORRISON**
art by **LIAM SHARP** and **XERMANICO**
cover by **LIAM SHARP**
ON SALE 12/1/20
\$29.99 US | 248 PAGES | FC | DC
ISBN: 978-1-77950-553-8

Eisner-Award winning author Grant Morrison and artist Liam Sharp continue their bold and imaginative take on the Green Lantern!

Following the Blackstar incursion, Hal Jordan and the Green Lanterns must put the world back together after the battles that weakened the GL Corps to less than a shadow of what it once was. Hal's next mission is his most critical...he needs to find the Young Guardians, the next generation of cosmic immortals. Will Hal be able to find the new heroes the world needs? Or will threats like Hyperman and Hyperwoman and the Anti-Matter Lantern Corps keep him from completing his mission? Collects *Green Lantern: Blackstars* #1-3 and *The Green Lantern Season Two* #1-6.

COLLECTED EDITIONS

JUSTICE LEAGUE: VENGEANCE IS THINE TP

written by **ROBERT VENDITTI**
art by **DOUG MAHNKE, AARON LOPRESTI, XERMANICO, EDDY BARROWS, and others**
cover by **FRANCIS MANAPUL**
ON SALE 12/8/20
\$19.99 US | 232 PAGES | FC | DC
ISBN: 978-1-77950-589-7

The next chapter for comics' premier super-team begins! An unexpected arrival from the stars brings a dire warning to the Justice League: a new breed of conquerors is on the march. Led by Superman's nemesis the Eradicator, a genetically engineered, super-powered strike team has come to subjugate Earth. To aid the Justice League, Batman makes the unprecedented decision to enlist an ancient, unrivaled power, which calls into question who, exactly, is in charge. With the League on unsure footing, will they be ready to save the world? Collects *Justice League* #40-47 and *Justice League Annual* #2
