As depicted in Matt Reeves's hit movie *The Batman*, the Riddler wasn't simply an amusing eccentric with an affinity for wordplay and baffling clues, but as terrifying a villain as any in the annals of the Dark Knight. Here you can see Edward Nashton evolve into the menace known as the Riddler. How did an unknown forensic accountant uncover the dark secrets of Gotham's underworld and come so close to bringing down the entire city? This six-issue miniseries is an immediate prequel to *The Batman*—the detailed, disturbing, and at times shocking story of a man with nothing to lose.

Artist Stevan Subic makes his American comics debut, including a variant cover that is the first of six interlocking covers. This collaboration with Dano delivers a shadowy and gritty tale of a society's forgotten man who refuses to go unnoticed any longer. Subic's recent *Conan the Cimmerian* for French publisher Glénat has brought him great acclaim in Europe, and he's about to break out globally with a Batman series unlike any you've seen before.

The Penguin's criminal enterprise and the Iceberg Lounge have been stolen from underneath him by his former associate the Umbrella Man. The Umbrella Man has removed all of the rules for crime in Gotham City that the Penguin put in place, and the city is in chaos. The Penguin is a broken man, and he'll have to travel through the burning streets of Gotham with a gun and a single bullet putting together a new crew to take back what he's built. Will Batman help the devil he knows or face the devil he doesn't in the form of the Umbrella Man? A crime epic from the team behind the critically acclaimed *Other History of the DC Universe*, John Ridley and Giuseppe Camuncoli—don't miss it!

The world once again holds its breath as The Joker strikes again! But how far is he willing to go this time? From the twisted minds of Matthew Rosenberg (*Task Force Z*, *What's the Furthest Place from Here?*) and Carmine Di Giandomenico (*Batman: The Knight*) comes a violent, mind-bending new series that picks up from the cataclysmic end of *The Joker* and follows the mayhem across the United States. With the Clown Prince of Crime setting out on his most bizarre caper yet, will a fan-favorite vigilante be able to prevent certain tragedy? Or is he in on the joke?

In the back-up—Joker's got a hot date but he's going to need a mirror to make sure he looks nice. Maybe Mirror Master can help.

A mysterious virus has infected Gotham City—turning its victims into rabid, yellow-irised maniacs driven to looting, theft, and bursts of anger. Batman and his Gotham Knights struggle to keep this strange virus contained while investigating its origins. But this is not the first time this unusual illness has overtaken the city. Take a trip to Gotham in the mid-1800s and meet the city's first masked vigilante—the mysterious hero known only as the Runaway—as they, too, find themselves mired in the mystery of this infection! This thrilling and horrific tale, split between modern-day Gotham and the Gotham of 1847, leads directly into the upcoming video game *Gotham Knights*!

Each issue will also offer a code for readers to redeem in the *Gotham Knights* game for an exclusive item. For issue 1, readers will receive a code for an exclusive skin variant for the Batcycle! Readers who redeem the codes for all 6 issues will receive a special 7th item!

There once was a shining city on the water, a home for families, hope, and prosperity. It was Gotham and it was glorious. The story of its fall from grace, the legend that would birth the Bat, has remained untold for 80 years. That's about to change.

Superstar creators Tom King and Phil Hester team up for the first time to tell the definitive origin of Gotham City: how it became the cesspool of violence and corruption it is today, and how it harbored and then unleashed the sin that led to the rise of the Dark Knight. Two generations before Batman, private investigator Slam Bradley gets tangled in the "kidnapping of the century" as the infant Wayne heir disappears in the night...and so begins a brutal, hard-boiled, epic tale of a man living on the edge and a city about to burn.

Still relatively early in her tenure as GCPD commissioner, Renee Montoya sets out to rebuild her department and restore public faith in the historically troubled PD during some of the worst conditions it's ever seen. But Renee can't do it alone—in order for her plan to work, everyone from the topmost officials all the way down to the most fresh-faced new officers must contend with the harsh realities of being a symbol of law and order in a city of super-powered saviors and superhuman lawlessness. DC is proud to present *GCPD: The Blue Wall* by the stellar team of Academy Award-winning writer John Ridley and artist Stefano Raffaele. This six-part miniseries is a thought-provoking and riveting story of everyday people trying to do good in the midst of a flawed system. No one said protecting a city like Gotham would be easy.

During the original Crisis on Infinite Earths, Swamp Thing encountered and formed a truce with the Great Darkness, but this ancient force has been awakened by Pariah and now its influence is felt across the Multiverse. Now the Avatar of the Green must work together with new allies to investigate how far it's spread and why it would work with Pariah. If they want to stop the Great Darkness from swallowing the Green, they need some extra help...ENTER: SUPER SWAMP THING.

DARK CRISIS: WORLDS WITHOUT A JUSTICE LEAGUE - GREEN ARROW #1

When Pariah and his forces of the Great Darkness laid waste to the most powerful superheroes of all time, all hope was lost...until now. To power his weapons of war, Pariah has captured each member of the Justice League and trapped them on worlds suited to their every dream and desire...while the planets themselves slowly eat away at their respective inhabitants. When the Justice League went toe-to-toe with Pariah's Dark Army, Green Arrow was fatally wounded by Doomsday...so how did he wake up on a world tailored to his every desire? And what dark bargain has Black Canary made to will these worlds into existence? Where there's life there's hope, and with that hope comes a deeper unraveling of the tapestry of the DCU's biggest event of 2022!

WONDER WOMAN HISTORIA: THE AMAZONS #3

The third and final chapter of the critically lauded and Eisner-nominated secret history of the Amazons crescendos with the inevitable—an all-out war against the gods. When Zeus discovers the goddesses defied him by creating the Amazons, seemingly nothing can stop his fervor to eliminate their warriors...not even Hera herself. But the Amazons' numbers have grown, and there is a distinctly and unpredictably human element among their ranks now in Hippolyta and the tribe she leads. Their very fight for existence will alter the course of history itself and bring about one of the greatest protectors the world has ever known!

AQUAMEN

When a suicide bomber in Middle America is revealed as an Atlantean sleeper agent seemingly gone rogue, the Aquamen—Arthur Curry and Jackson Hyde—are on the case. But it soon becomes clear that the tragedy was not just a single bad actor, but the beginnings of a much larger and more dangerous chain reaction...and the heart of an explosive Atlantean conspiracy! If Arthur's not careful, the secrets he's keeping—from Mera, Tula, Tempest, Atlantis, the surface, and even Jackson—could cause a rift from which the Aquamen might never recover! Collects *Aquamen* #1-6.
